Great Boogie Woogie stylist from the 1950s

Hits and hard to find rare sides from the Mercury and Capitol labels.

This Boogie-Woogie piano player had a huge U.S. hit in 1955 with 'The House Of Blue Lights', a rocking version of an Andrews Sisters song that had previously been a hit in 1946 for it's co-author Frank Slack.

His only other chart hit was

'The Auctioneer' a country song that became a hit in 1959 and is probably his best remembered song

Another gap in the availability of some classic sides from the rock 'n' roll era.

35 fine tracks most of which have been out of print for years and never available on CD until now!
