PUC 702

d.p. £7.59

Released June 23rd 2003

Barcode: 827565001125

Their eagerly awaited second album released in '69 from this legendary '60s progressive rock band featuring Roger Chapman and Charlie Whitney, which proved to be their most successful ever. It showed a marked change of style, making it more accessible - a mainstream progressive rock album.

Remastered to the highest quality this classic album is now available again along with their superb debut album 'Music In A Dolls House' (PUC 701)

Both albums are regular inclusions in all time classic album lists both critically acclaimed and timeless albums
