THE BIG BEAT

Hailed as Britain's Mr Showman because of his fabulous and exciting forms of presentation. Drummer, bandleader and perhaps above all showman, Eric Delaney succeeded in keeping his style of big band music popular even after the advent of rock'n'roll, which dispatched so many of his rivals. Right from the word go, Delaney's stock-in-trade was powerhouse music, described by the pundits of the period as a "time bomb waiting to happen". His band was labelled incomparable and a complete change from the established and fashionable sounds of the day.
