

LIMITED EDITION GATEFOLD DIGI-PACK

PUC 802

Released Nov. 5th 2012

Their eagerly awaited second album released in '69 from this legendary '60s progressive rock band featuring Roger Chapman and John "Charlie" Whitney, which proved to be their most successful ever. It showed a marked change of style, making it more accessible — a mainstream progressive rock album.

Remastered to the highest quality this classic album is now available for a limited period along with their superb debut album 'Music In A Dolls House' (PUC 801) as a gatefold digi-pack with original artwork.

PLUS bonus miniature six panel replica of poster included in original vinyl album.

Both albums are regular inclusions in all time classic album lists

both critically acclaimed and timeless albums
